

CURRICULUM VITAE
Thomas W. Samuelson, M.D.

Appendix A
PRESENTATIONS / LECTURES

Kiawah Eye Meeting 2024

Kiawah Island, SC, June

Moderator:

“Glaucoma Case Management Expert Opinions: Accord or Discord?”

MEC Perspectives in Eye Care

Bloomington, MN, May 20, 2024

Moderator:

“Glaucoma Case Management: Consensus?...Or Not??!!”

American Society of Cataract and Refractive Surgery

Boston, MA April 5-8, 2024

Presentations/Lectures:

“Phaco vs Phaco Plus MIGS for Early to Moderate Glaucoma: Where’s the Data?”

Moderator:

“WhatsApp? International Solutions for Common Anterior Segment Dilemmas”

American Glaucoma Society Annual Meeting

Huntington Beach, CA, February 29 - March 3, 2024

Co-Moderator:

“Surgery Day Section 3: AGS/EGS joint symposium: MIGS Perspectives from Across the Pond”

Panelist:

“Glaucoma Innovation Summit: Paving the Path for Glaucoma’s Future”

Hawaiian Eye 2024

Wailea, HI, January 13-19, 2024

Presentations/Lectures:

“Rho-Kinase Inhibitors: What Sets Them Apart from the Pack?”

“Determining When to Switch from Monotherapy to Combination Therapy”

Co-Moderator:

“Glaucoma Case Management: Consensus or Not?!”

“Glaucoma Surgical Complications Video Case Presentations”

Panelist:

“Cataract Surgery Complications: You Make the Call”

“Glaucoma Reimbursement Symposium”

Activity Chair:

“Glaucoma Management: Rising Out of the Darkness and into the Light with Rho-Kinase Inhibitors”

Thomas W. Samuelson, M.D.

American Academy of Ophthalmology Annual Meeting
San Francisco, CA, November 3-6, 2023

Presentations/Lectures:

“How Direct Selective Laser Trabeculoplasty May Change Glaucoma Care”

Moderator:

“Academy Café: Glaucoma”

Panelist:

“Spotlight on Cataract: Complicated Phaco/IOL Cases – My Top 5 Pearls”

OSN New York 2023

New York, NY, November 6-8, 2023

Presentations/Lectures:

“Beyond MIGS: Transscleral Surgery, Evolving Techniques”

Moderator:

“Glaucoma”

“Glaucoma Lightning Rounds”

UCI Gavin Herbert Eye Institute 17th Annual Colloquium

Irvine, CA, October 20-21, 2023

Presentations/Lectures:

“Steinert Memorial Lecture: Interventional Glaucoma: Rationale and Execution”

“Days Pass: Glaucoma/ON Issues”

Panelist:

“Light my Fire – IOL Calculations in Abnormal Eyes”

“Cataracts – In Your Eyes – EDOF or Not?”

Zimbabwe Ophthalmic Congress

Virtual Meeting, July 28, 2023

Presentations/Lectures:

“Surgical Management of Cataract & Glaucoma”

“Surgical Management of Advanced Glaucoma”

2023 Christian Ophthalmology Meeting

St. Paul, MN, June 15-18, 2023

Presentations/Lectures:

“Glaucoma Management Decisions – Individualizing Care in 2023”

Kiawah Eye Meeting 2023

Kiawah Island, SC, June 1-3, 2023

Moderator:

“Glaucoma Grand Rounds”

“Video Complications Session: “MIGStakes” We Have Made”

Presentations/Lectures:

“Laser Therapy for Glaucoma: Today and Tomorrow”

MEC Perspectives in Eye Care
Bloomington, MN, May 22, 2023
Moderator:
"Glaucoma Lightening Rounds"

American Society of Cataract and Refractive Surgery
San Diego, CA, May 5-8, 2023
Presentations/Lectures:
"Eyecelerator Presenting Company Breakout and Break it Down"
Moderator:
"Glaukos Roundtable"
Panelist:
"ASCRS Eyecelerator Company Case Study: Glaukos, Profiles in Courage"
"ASCRS Innovator's Session"

American Glaucoma Society Annual Meeting
Austin, TX, March 2-5, 2023
Presentations/Lectures:
"First in-Human Study of Non-incisional, Femtosecond Laser Image Guided High-Precision Trabeculotomy (FLigHT) in Open Angle Glaucoma and Ocular Hypertensive Patients: 12 Month Outcomes"

2023 Glaucoma 360 - New Horizons Forum
San Francisco, CA, February 2-4, 2023
Presentations/Lectures:
"Stents, Trabs, and Tubes: Decision Making in Surgical Glaucoma"
Moderator:
"What We've Learned from Glaucoma Doctors"
Co-Moderator:
"Emerging Glaucoma Devices"

Hawaiian Eye 2023
Koloa, HI, January 14-20, 2023
Presentations/Lectures:
"Exploring Advances in MIGS"
Co-Moderator:
"Glaucoma"
"Glaucoma Lightening Rounds"
"Glad it's Not Me Surgical Session"
"That's Debatable"
Panelist:
"Co-Morbidities with Cataract Surgery"
Activity Chair:
"MIGS and Meds in Glaucoma Management: Applying Evidence to Practice"
Faculty:
"CME Banyan Tree Session"

OSN New York 2022

New York, NY, November 11-13, 2022

Presentations/Lectures:

“When and How I Perform Trabeculectomy”

“When and How I use Cyclophotocoagulation”

Moderator:

“Glaucoma”

“Glaucoma Lightning Rounds”

American Academy of Ophthalmology Annual Meeting

Chicago, IL, September 30-October 3, 2022

Presentations/Lectures:

“Introduction to Today’s MIGS Landscape”

“Endothelial Safety Profile of MIGS Stents”

“Equinox Goggles”

“Putting me Through the Wringer”

Moderator:

“Academy Café Glaucoma”

Panelist:

“Spotlight on Cataract: M&M Rounds – Learning from My Mistakes”

Program Chair:

“Clinical Crossroads in Ophthalmology 2022: Best Practices for Treating complex Cases of Glaucoma and Diabetic Macular Edema”

Kiawah Eye Meeting 2022

Kiawah Island, SC, June 2-4, 2022

Moderator:

“Glaucoma Grand Rounds”

Panelist:

“Making Your Practice Perfect Pearls”

MEC Perspectives in Eye Care

Bloomington, MN, May 23, 2022

Presentations/Lectures:

“Glaucoma 2022: New Options, New Decisions”

American Society of Cataract and Refractive Surgery

Washington, D.C., April 22-26, 2022

Presentations/Lectures:

“Negative Pressure Application via a Multi-Pressure Dial to Lower IOP in Patients with Open-Angle Glaucoma”

Moderator:

“OMNI Users’ Event”

Ophthalmology 360 Virtual Summit Series

March 17-18, 2022

Presentation/Lectures:

“Glaucoma – Sustained Release/Lasers”

American Glaucoma Society Annual Meeting

Nashville, TN, March 3-6, 2022

Presentations/Lectures:

“Argument for Tube”

“Negative Pressure Application via a Multi-Pressure Dial to Lower IOP in Patient’s with Open-Angle Glaucoma”

Co-Chair:

“Case Debates in Glaucoma: Improving Patient Outcomes with Sustained IOP Control”

Faculty:

“Diamond Theater Symposium”

36th Annual Cullen Course

Houston, TX, February 25-26, 2022

Presentations/Lectures:

“The Role of the Native Lens in the Pathogenesis and Management of Glaucoma”

ASCRS Winter Symposium

Park City, UT, February 10-12, 2022

Presentations/Lectures:

“Decision Making in Glaucoma”

“Glaucoma Case Studies – What is Your Next Move”

“Quicksand Chronicles Video Session”

Hawaiian Eye 2022

Waikoloa, HI, January 15-21, 2022

Presentations/Lectures:

“Improving Outcomes through Advances in MIGS”

Co-Moderator:

“Glaucoma”

“Glaucoma Lightning Rounds”

“Glad It’s Not Me Surgical Session”

“That’s Debatable”

Panelist:

“Pseudoexfoliation – My top 3 Pearls”

Activity Chair:

“Achieving Aqueous Outflow with Rho Kinase Inhibitors in the Management of Glaucoma: The Canal and Beyond”

Faculty:

“Novel MIGS and Meds that Improve Glaucoma Management”

American Academy of Ophthalmology Annual Meeting
New Orleans, LA, November 12-15, 2021

Presentations/Lectures:

“Lens-Related Glaucoma and Considerations for Surgical Management Glaucoma and no Lens”

Moderator:

“Academy Café: Glaucoma”

Co-Moderator:

“The Intersection of Reimbursement and Innovation”

Panelist:

“White Lens, Shallow AC, Fixed Pupil”

Program Co-Chair:

“Eyecelerator Meeting”

Interventional Glaucoma Congress
Chicago, IL, October 8-10, 2021

Faculty:

“Breakfast Meeting with Allergan”

American Society of Cataract and Refractive Surgery
Las Vegas, NV, July 23-27, 2021

Presentations/Lectures:

“Past ASCRS Glaucoma Leadership: What Changes have You Witnessed in Ophthalmology?”

“MIGS Treatment Algorithm”

“Forged at the Confluence of Cataract and Glaucoma Surgery”

Co-Moderator:

“New Glaucoma Treatments – Panel Discussion”

Panelist:

“Session IV: The 2021 Stephen A. Obstbaum, M.D. Honored Lecture”

“Young Eye Surgeons (YES) Networking Luncheon”

“The Lindstrom Symposium”

Co-Instructor:

“Achieving Success with Minimally Invasive Glaucoma Surgery”

Michigan Society of Eye Physicians and Surgeons Annual Conference (MiSEPS)
Mackinac Island, MI, July 9-10, 2021

Presentations/Lectures:

“The Role of the Native Lens in Glaucoma Pathogenesis and Management”

“Individualizing Glaucoma Diagnosis and Treatment”

Rush Resident and Alumni Day Symposium
Virtual Meeting, June 12, 2021

Presentations/Lectures:

“Interventional Glaucoma: Things will never be the same, and that is ok”

“Management of Coincident Cataract and Glaucoma”

Kiawah Eye Meeting 2021

Kiawah Island, SC, June 3-5, 2021

Presentations/Lectures:

“How to Manage Cataract and Glaucoma (More Seasoned Perspective)”

“Canal Surgery with Phaco: Devices”

Moderator:

“Glaucoma Grand Rounds”

Faculty:

“Kiawah Eye Grand Rounds”

MEC Perspectives in Eye Care

Bloomington, MN, May 24, 2021

Presentations/Lectures:

“The Surgical Management of Glaucoma; Subsequent Glaucoma Surgery Lecture Talk”

Hawaiian Eye 2021

Wailea, HI, May 8-14, 2021

Presentations/Lectures:

“Sustained-Release Delivery of Glaucoma Treatment: Comparing New and Emerging Options”

“Management of Cataract and Glaucoma: Which Procedure?”

“Options for Coincident Cataract and Glaucoma Surgery”

Moderator:

“Understanding the Role of Nitric Oxide in Glaucoma Management”

“Glaucoma”

“Glaucoma Lightning Rounds”

“Glad It’s Not Me Surgical Session”

“That’s Debatable”

Faculty:

“Improving Compliance through Sustained-Release Delivery Systems for Glaucoma Management”

“Complicated Cases”

American Glaucoma Society Annual Meeting

Virtual Meeting, March 4-7, 2021

Presentations/Lectures:

“How to Find and Succeed in Leadership Opportunities in Industry, Organizations, and at Institutions”

Faculty:

“Where to Begin...Choosing the Right Initial Treatment”

American Academy of Ophthalmology Annual

Virtual Meeting, November 13-15, 2020

Moderator:

“Academy Café: Glaucoma”

OSN New York 2020

Virtual Meeting, October 17-18, 2020

Moderator:

“Glaucoma”

Panelist:

“Decisions at the Crossroads of Drugs, SLT, and MIGS”

“Decisions at the Crossroads of MIGS, Transscleral Surgery, and Ciliary Laser”

Kiawah Eye Meeting 2020

Virtual Meeting, September 30, 2020

Faculty:

“Under Pressure...Medicating and Mitigating Dry Eye and Glaucoma”

Presentation:

“Mitigating OSD Through MIGS and Medications”

Everything Dry Eye

Virtual Symposium, August 14-15, 2020

Panelist:

“How Would You Treat This Patient? Part II”

Michigan Society of Eye Physicians & Surgeons Conference

Virtual Meeting, August 7, 2020

Presentations:

“Lasers, Stents, Otomies, Trabs, and Tubes: Decision Making in Surgical Glaucoma-Part 1”

“Lasers, Stents, Otomies, Trabs, and Tubes: Decision Making in Surgical Glaucoma-Part 2”

American Glaucoma Society Annual Meeting

National Harbor, MD, February 27-29, 2020

Moderator:

“Glaukos Lunch Symposium”

Co-Moderator:

“Surgery Day Section 4: Glaucoma Evaluation and Management in Eyes with Coexistent Ocular Disease and Intraocular Surgery”

NC Tri-Residency Conference & NC Glaucoma Club Meeting (NCGC)

Chapel Hill, NC, February 22, 2020

“Decision Making in Surgical Glaucoma, Management of Coincident Cataract and Glaucoma, and Glaucoma Grand Rounds”

Glaucoma 360 New Horizons Forum

& 24th Annual Glaucoma Symposium

San Francisco, CA, February 7-8, 2020

Presentations:

“Stents, Trabs, and Tubes: Decision Making in Surgical Glaucoma”

Co-Moderator:

“Industry Panel Discussion: Glaucoma Devices”

Hawaiian Eye 2020

Koloa, HI, January 18-24, 2020

Presentations/Lectures:

“Surgical Management of Glaucoma with Cataract”

“The Case for Canal-Based Microstents”

“MIGS and Medications”

Moderator:

“Glaucoma Lightning Rounds”

“Glad It’s Not Me Surgical Session”

Co-Moderator:

“Glaucoma”

“That’s Debatable”

Faculty:

“Navigating Novel Options in Medical Glaucoma Management”

“Solving a Dual Disaster: Dry Eye and Glaucoma”

OSN New York 2019

New York, NY

November 15-17, 2019

Presentations/Lectures:

“Treatment of Ocular Hypertension”

“Treatment of Primary Open-Angle Glaucoma”

“Stents, Trabs, and Tubes: Which Procedure When”

Moderator:

“Glaucoma”

“Drugs, Scans, MIGS, Trabs, and Tubes”

Activity Chair:

“Nitric Oxide in Glaucoma: What you Need to Know”

American Academy of Ophthalmology Annual Meeting

San Francisco, CA, October 12-15, 2019

Presentations/Lectures:

“Cataract Surgery Pearls in Eyes with Pre-Existing Trab or Tube Shunt”

Moderator:

“Targeting the Trabecular Meshwork: Incorporating New Outflow Drugs into Glaucoma Care”

“Academy Café: Glaucoma”

“Best Practices for Treating Comorbid Glaucoma, Ocular Surface Disease, and Diabetic Macular Edema”

Panelist:

“Phaco + Glaucoma: Canal-Based MIGS, White Cataract, Pseudoexfoliation and Zonulopathy, Capsule Tension Rings”

Faculty:

“Setting the Stage for Lowering IOP in Glaucoma: Solving the Mystery of Meds, MIGS, or Combination Treatment”

“Getting to Goal in Glaucoma: Achieving Target IOP Through the Nitric Oxide Pathway”

European Society of Cataract & Refractive Surgeons

Paris, France, September 14-18, 2019

Moderator:

“Introducing iStent Inject: The Trabecular Micro-Bypass Stent for the Cataract Surgeon”

Panelist:

“The MIGS Era: The Beginning of the End or the End of the Beginning?”

ASCRS-ASOA & ASORN Combined Ophthalmic Symposium

Austin, TX, August 23-25, 2019

Presentations/Lectures:

“Advanced-Technology IOL’s and Glaucoma”

Co-Moderator:

“Innovations in Glaucoma Surgery”

Panelist:

“The Best of ASCRS”

Kiawah 2019 Eye Meeting

Kiawah Island, SC, May 30 – June 1, 2019

Presentations/Lectures:

“What’s New in MIGS”

“Management of Glaucoma at the Time of Cataract Surgery”

“Current Status and Clinical Trials: Nitric Oxide in the Treatment of Glaucoma”

“Advances in Drug Therapy – Implications for Glaucoma Management”

Moderator:

“Nitric Oxide Signaling and its Effect on Outflow Pathways in Glaucoma”

“Glaucoma Grand Rounds”

American Society of Cataract and Refractive Surgery

San Diego, CA, May 3-7, 2019

Presentations/Lectures:

“Into the Future – Future for Diagnostic Devices – Glaucoma”

“Part II – Trabecular Micro-Bypass Stent Inject System”

“We Can Work it Out: What is Your MIGS Algorithm?”

“3-Year Safety and Efficacy Outcomes from the Multicenter Randomized Study of a Schlemm’s Canal Microstent (Horizon Trial)”

Moderator:

“MIGS”

Panelist:

“Café Style Discussion”

Co-Instructor:

“Mastering MIGS: Pearls for Beginner and Intermediate Surgeons”

West Coast of Florida Monthly Regional Ophthalmology Meeting

Tampa, FL, April 18, 2019

Presentations/Lectures:

“Individualizing Glaucoma Surgery”

“Glaucoma Surgery Before, During, and After Cataract Surgery”

USF Eye Institute in Conjunction with Tampa Bay Ophthalmological Society Quarterly Meeting

Tampa, FL, April 18, 2019

Presentations/Lectures:

“Tubes, Trabs, and Stents: Decision Making in Glaucoma Surgery”

American Glaucoma Society Annual Meeting

San Francisco, CA, March 14-17, 2019

Presentations/Lectures:

“2-Year Results of a Prospective, Multicenter, Randomized Comparison of Hydrus Versus Two iStents in Standalone Surgery for Open-Angle Glaucoma (Compare Trial)”

Glaucoma & Cataract Conference

Herzlia, Israel, February 28, 2019

Presentations/Lectures:

“The Lens and Glaucoma - What is the Connection?”

“The Opposite is True”

“Ab-interno MIGS are the Best Option for Combined Surgery”

“iStent in Glaucoma and Combined Surgery”

Panelist:

“Case Presentations by Residents & Experts”

Glaucoma 360 New Horizons Forum

& 21st Annual Glaucoma Symposium

San Francisco, CA, February 1-2, 2019

Presentations/Lectures:

“Stents, Trabs, and Tubes: Decision Making in Surgical Glaucoma”

Moderator:

“New Horizons in Devices: New Solutions to Old Problems”

Panelist:

“The FDA and Industry: Teamwork to Promote Innovation”

Hawaiian Eye 2019

Waikoloa, HI, January 19-25, 2019

Presentations/Lectures:

“Treating Glaucoma - with an Eye on Dry Eye”

Co-Moderator:

“Glaucoma”

Panelist:

“Cataract Surgery Complications: You Make the Call”

Faculty:

“Dry Eye and Glaucoma: Imperfect Together”

“ROCK Solid Inhibition in Glaucoma Therapy”

UCSF Ophthalmology Update

San Francisco, CA, November 30 – December 1, 2018

Presentations/Lectures:

“How I Avoid Complications with Various MIGS”

“Phaco with Pseudoexfoliation”

Panelist:

“Refractive IOL's – My Top 5 Pearls”

“Now What?”

American Academy of Ophthalmology Annual Meeting

Chicago, IL, October 27-30, 2018

Presentations/Lectures:

“Horizon Overview”

“CyPass Withdrawal: Perspective and Review of Preliminary Guidance Document”

“Devices in Canal”

“Decision Making in Glaucoma Surgery”

“Prior Trab – Increased Bleb Filtration Intraoperatively, Early Postoperative Hypotony, and Bleb Failure Postoperatively”

“Current Challenges at the Intersection of DED, Glaucoma, and DME”

“A Prospective, Randomized Pivotal Study of Second-Generation Trabecular Micro-Bypass Stents (iStent Inject) Implanted in Conjunction with Cataract Surgery”

“Results from the HORIZON Trial: A Multicenter, Randomized Study of a Schlemm's Canal Microstent for Reduction of IOP in Primary Open-Angle Glaucoma”

Moderator:

“Ivantis Hydrus Microstent Symposium”

“iStent Inject, MIGS Transformed”

“The Academy Café: Glaucoma”

Panelist:

“A New Renaissance”

Instructor:

“Cataract Surgery in the Setting of Ocular Comorbidities and High-Risk Features for Intraoperative and Postoperative Complications”

Chair:

“Case Studies in Dry Eye Disease, Glaucoma, and Diabetic Macular Edema”

European Society of Cataract & Refractive Surgeons

Vienna, Austria, September 22-26, 2018

Presentations/Lectures:

“Intracanalicular and Suprachoroidal Devices”

“A Prospective, Randomized US IDE Pivotal Study of Second-Generation Trabecular Micro-Bypass Stents Implanted in Conjunction with Cataract Surgery”

ASCRS-ASOA & ASORN Combined Ophthalmic Symposium

Austin, TX, August 24-26, 2018

Presentations/Lectures:

“Introduction to MIGS”

“Making Sense of MIGS – What I Use and Why”

Co-Moderator:

“Glaucoma: New Advances Abound – How Can You Use Them”

Panelist:

“How are You Making Use/Sense of MIGS”

Kiawah 2018 Eye Meeting

Kiawah Island, SC, May 29 – June 2, 2018

Presentations/Lectures:

“MIGS Devices for the Anterior Segment”

“Applying the Evidence into Practice with New medical Glaucoma Treatments”

“Canal Based Glaucoma Surgery”

“More Efficient, Safer, and Effective Coincident Cataract and Glaucoma Surgery”

Moderator:

“Hot Topics in Glaucoma”

“Medical Glaucoma: revelations in Treatment that move Beyond Convention”

Panelist:

“Cataract Surgery with a Monofocal IOL”

“Femtosecond Laser in Hyper Mature Cataract”

“Cataract Surgery in the Setting of Previous RK”

“When to Perform Transscleral Surgery in the MIGS Era”

“Supraciliary Based Glaucoma Surgery”

“Pharma Update”

“Case Conference & Q&A”

MEC Perspectives in Eye Care – Guest Lecturer

“Glaucoma Surgery 2018”

Bloomington, MN, May 21, 2018

New England Ophthalmological Society

Boston, MA, April 20, 2018

Presentations/Lectures:

Ruthanne & Richard Simmons Glaucoma Lecture - “Risk mitigation in Glaucoma Surgery”

“Management of Coincident Cataract and Glaucoma in the MIGS Era”

“Choosing the Right MIGS for the Right Patient”

American Society of Cataract and Refractive Surgery

Washington, DC, April 13-17, 2018

Presentations/Lectures:

“Second-Generation Trabecular Microbypass Stents Implanted in Conjunction with Cataract Surgery: Prospective Randomized Study”

"Tolls, Detours, and HOV Lanes: Navigating the MIGS Superhighway by Personalizing outcomes for Your Glaucoma Patients"

Co-Moderator:

"Glaucoma Drugs and Drug Delivery Near-Term Pipeline"

"Spotlight on MIGS - Competitive Activity and Progress in MIGS"

Panelist:

"Café Style Discussion"

"Cataract Surgery Olympics"

"Essentials in Glaucoma"

Co-Instructor:

"Achieving Success with minimally Invasive Glaucoma Surgery"

American Glaucoma Society Annual Meeting

New York, NY March 1-4, 2018

Presentations/Lectures:

"Results from the Horizon Trial: A Multicenter, Randomized Study of a Schlemm's Canal Microstent for Reduction of IOP in Primary Open Angle Glaucoma"

Moderator:

"Ivantis Roundtable Discussion"

Faculty:

"Transforming Glaucoma Therapy with MIGS Technologies"

Moorfields International Glaucoma Symposium

London, England, January 27-28, 2018

Presentations/Lectures:

"High Volume MIGS"

Panelist:

"Phaco is Detrimental to the Success of Glaucoma Surgery"

Hawaiian Eye 2018

Maui, HI, January 13-19, 2018

Presentations/Lectures:

"Changing the World of Glaucoma"

"Management of Cataract and Glaucoma in 2018"

"Decision Making in Glaucoma Surgery"

Moderator:

"Mastering Supraciliary MIGS: A New Era in Cataract-Glaucoma Surgery"

"Expert Panel Discussion Regarding MIGS"

"Glaucoma"

Activity Chair:

"Improving the Clinical Picture of IOP in Glaucoma through Innovative Treatments"

Panelist:

"Cataract Surgery Complications: You Make the Call"

III Symposium of the Sociedad Chilena de Glaucoma
Santiago, Chile, December 1-2, 2017

Presentations/Lectures:

“Management of Coincident Cataract and Glaucoma”

“Adopting MIGS”

“Canal-Based Glaucoma Surgery”

“Transscleral Filtration Surgery in the MIGS Era”

“Management of Exfoliative Glaucoma”

American Academy of Ophthalmology Annual Meeting
New Orleans, LA, November 11-14, 2017

Moderator:

“Clinical Crossfire: MIGS Decision Making”

“The Academy Café”

“Advances in Medical Therapy for Glaucoma: New Solutions for a Pressing Problem”

Instructor:

“Cataract Surgery in the Setting of Ocular Comorbidities and High-Risk Features for Intraoperative and Postoperative Complications”

Panelist:

“Cataract Controversies – What Now?!?!”

“The Great Debate: Glaucoma”

“Spotlight on Cataract Complications”

Faculty:

“MIGS Symposium”

OSN New York 2017

New York, NY

October 20-22, 2017

Presentations/Lectures:

“Assessing the Science: Innovations in Treatment”

Moderator:

“Innovative Targeting of IOP – Emerging New Science in Glaucoma Management”

“Glaucoma”

Panelist:

“Intelligent” Stent Placement

“Point/Counterpoint Discussion”

UCSF Glaucoma Update

Rohnert Park, CA, September 15-16, 2017

Presentations/Lectures:

“MIGS: Practical Considerations”

“The Role of the Native Lens in Glaucoma Management”

“Maximizing Success with MIGS”

ASCRS-ASOA & ASORN Combined Ophthalmic Symposium

Austin, TX, August 11-13, 2017

Presentations/Lectures:

“Surgical Glaucoma and Risk Mitigation”

“MIGS Learning Curve”

Panelist:

“Glaucoma: The Pressure is On”

“The Thrill of Victory and Agony of Defeat”

Kiawah 2017 Eye Meeting

Kiawah Island, SC, May 30 - June, 2017

Presentations/Lectures:

“Emerging Science of Developmental Therapies for Glaucoma”

“The Changing Landscape of Surgical Glaucoma”

Moderator:

“Advancing Science on New Mechanisms of Action for the Medical Treatment of Glaucoma”

“Hot Topics in Glaucoma”

Durrie Vision, Minnesota Eye Consultants, and Vance Thompson Vision Fellowship Reunion

Yountville, CA, May 26-29, 2017

Presentations/Lectures:

“Risk Mitigation in Glaucoma Surgery”

Moderator:

“Advanced Glaucoma Surgery and the Technology that Surrounds It”

MEC Perspectives in Eye Care – Guest Lecturer

“Glaucoma: New Advancements in Treatment Options”

Bloomington, MN, May 22, 2017

Swedish Society of Glaucoma Surgery – Guest Lecturer

“Glaucoma Surgery in the MIGS Era”

Gothenburg, Sweden, May 18, 2017

University of Oslo – Guest Lecturer

“Mitigating Risk in Glaucoma Surgery”

Oslo, Norway, May 16, 2017

University of Bergen – Guest Lecturer

“Mitigating Risk in Glaucoma Surgery”

Bergen, Norway, May 15, 2017

American Society of Cataract and Refractive Surgery

Los Angeles, CA, May 5-9, 2017

Presentations/Lectures:

“Trabecular Microbypass Pearls”

“MIGS: Leading the Way in Breakthrough Innovation”

Moderator:

“Clinical Case Series: Innovation in MIGS via the Supraciliary Space”

Panelist:

“Café Style Discussion”

“Surgical Glaucoma Spotlight – Making Sense of the MIGS Revolution: A Practical Guide to the Surgical Treatment of Glaucoma”

Faculty:

“Microinvasive Glaucoma Surgery: Indications, Approaches, and Techniques”

“Individualizing New Glaucoma Surgical Approaches”

“Tracking Glaucoma: Improving Your View of the Angle”

“Getting Started with MIGS: Pearls for Successful Use of the Trabecular Microbypass Stent”

Consultant:

“Glaucoma - OIS Breakfast Breakout Session”

American Glaucoma Society Annual Meeting

Coronado, CA, March 2-5, 2017

Presentations/Lectures:

Glaucoma Surgery Day Lecture - “The Emergence of the 5 Tool Glaucoma Surgeon”

Moderator:

“An Update on Disease – Modifying Glaucoma Treatments – A Roundtable Discussion”

Faculty:

“MIIGS 3.0: Pipeline Update, Advanced Techniques & Complex Cases”

University of Minnesota

Department of Ophthalmology & Visual Neurosciences

Harris Visiting Professor

Minneapolis, MN, February 18, 2017

Presentations/Lecture:

“Surgical Glaucoma/MIGS”

Glaucoma 360 New Horizons Forum

& 21st Annual Glaucoma Symposium

San Francisco, CA, February 3-4, 2017

Co-Moderator:

“New Horizons in Glaucoma Devices”

Hawaiian Eye 2017

Koloa, HI, January 14-20, 2017

Presentations/Lectures:

“New Insights on Treating Glaucoma with Emerging Therapies”

“Combined Procedures – Who and Which One?”

“How Many Surgeries do I Need to Learn to Manage Glaucoma in 2017?”

Moderator:

“MIGS: Leading the Way with Breakthrough Innovation”

“Surgical Glaucoma Update: MIGS and More”

Faculty:

“Eye on an Enigma: New Mechanisms of Action in the Medical Management of Glaucoma”

“Take the Lead: Rethinking Regulations to Comply & Thrive”

OSN New York 2016

New York, NY

November 4-6, 2016

Moderator:

“Glaucoma: Novel Mechanisms and Treatments that Target the Elusive IOP”

Glaucoma Management: Now and in 2020”

Faculty

“OSN’s Disruptive Innovations Symposium”

Panelist:

“Key Opinion Leaders Panel Discussion”

American Academy of Ophthalmology Annual Meeting

Chicago, IL, October 15-18, 2016

Presentations/Lectures:

“Should We Adopt New Surgical Techniques Early On?”

“Pseudoexfoliation – Weak Zonules”

“Where do MIGS Fit into Our Treatment Paradigms?”

Moderator:

“Academy Café: Glaucoma”

Instructor:

“Update Your Anterior Chamber Angle Skills: How to Best Examine, Grade, and Treat”

“Cataract Surgery in the Setting of Ocular Comorbidities and High-Risk Features for intraoperative and Postoperative Complications”

“Combined Cataract Surgery with Glaucoma Surgery: Guidelines, Indications, Methods, Techniques, and Postoperative Management”

NYEE Transformational Ophthalmology Conference

New York, NY, September 23-24, 2016

Panelist:

“Glaucoma”

Presentations/Lectures:

“New Surgical Modalities for Managing Glaucoma”

“Trabecular Meshwork Bypass Stent (iStent)”

Instructor:

“Trabecular Meshwork Bypass Stent (iStent)”

European Society of Cataract & Refractive Surgeons

Copenhagen, Denmark, September 10-14, 2016

Presentations/Lectures:

“Subluxed IOL’s

ASCRS-ASOA & ASORN Combined Ophthalmic Symposium

Austin, TX, August 24-28, 2016

Presentations/Lectures:

“Glaucoma Management 2016”
